II. Update on School Status

A.Update on School Status

1. School's accountability status. State has informed us that we are in good standing for 2015-16 and 2016-17.
2. Begun Term 3 yesterday. PTC next Tuesday February 2nd, Awards Assembly on Friday the 5th.
3. Tuesday the 2nd is Advocacy day, 7 parents will be going to Albany. We receive approximately \$3,000 less than a NYC DOE student get because of the facilities funding gap.
4. Transition plan for the Lower school Director of Instruction. Letter to staff and transition framework chart is shared with the Board. Tishuk is taking the lead on observations for 3 and 4, Thomas is taking the lead for K-2 observations. Now preparing February 12th Professional Development Day.
5. Diocese has made some repairs to the sidewalk.

Questions:

Q. What is the parents' response?

A. A few expressed sadness, others wanted to know what the new protocols were. Mr. Tishuk had 3 or 4 conversations with parents.

Q. Is the plan an addition to Mr. Thomas' role?

A. Yes, however Mr. Brown, Ms. Howell, and Mr. Tishuk are assisting with parent engagement. Mr. Thomas emphasized the strength of his team and his collaboration with Pagan and Chase on the MS.

Q. Is there any change to the group working with the graduating class?

A. No, this team is intact.

Q. How comfortable was the Management team with taking on additional responsibilities?

A. Silbia: It was more about formalizing things we already worked on together.

Thomas: I feel her loss, but I feel comfortable with the challenge. It is forcing people to think beyond discipline.

Q. Were there people we were cultivating as a replacement?

A. All names on the list of responsibilities are people whose skills can be nurtured.

Q. How does Tishuk's taking on part of the lead affect his ED work?

A. Tishuk will focus on 3-4, Thomas has moved his office to the 2nd floor.

Kevin Nesbitt arrived late.

C.Report from the Education Committee

Document shared with the Board.

Cecelia discussed the idea of providing additional support to the incoming Kindergartners to address some student's preparedness. We expect to get more data feedback from the education team. Wish to know when the next parent meeting will be.

Silbia shared that 20 families from 8th grade came to a family discussion on the topic of senior activities, and 6 more families came in for 1-on-1 meetings.

We do not wish the school to be a "test-prep" school, but may want to leverage the after school program. The website should be updated to reflect current after school programming.

DecisionMarlena has decided to remain on the Board.

D.Report from the Engagement and Outreach Committee

Document shared with the Board.

Wish to work with the school in preparing families to work with their students for the state tests. Had a conversation about the JD for the parent on the Board. Need to discuss whether any parent voted on the board would have both voice and vote.

Wish to discuss having the development and engagement committees partnering to involve parents for development.

How do we move forward with parents already identified as engaged?
